Re: Title VI Plan Approval

Dear Ms. Palacios:

Thank you for submitting the United Way 211-Vet Link Title VI Plan. Upon review, we have determined that it meets the requirements set forth in the Federal Transit Administration's (FTA) Title VI Circular, 4702.1B, "Title VI Program Guidelines for Federal Transit Administration Recipients," effective October 1, 2012. This Plan becomes part of your Certificate and Assurances that will be uploaded in TRAMs for final FTA approval. Please upload your agency's Plan and this letter into the BlackCat system under the "Important Documents" tab.

We have received permission from the FTA to streamline subrecipient Title VI submittals to better manage workload and monitoring. Effective December 1, 2017, your agency's new expiration date will be based on the county where you are located. Your next Title VI Plan must be updated and submitted by September 2022.

We thank you for partnering with us to meet the FTA compliance requirements. Please feel free to contact me at (916) 657-5206, should you have any questions or need immediate technical assistance. I can also be reached by e-mail at Sharon_Beasley@dot.ca.gov
